Our WAY

ABOUT US

We have been creating **RADKA** company responsibly and gradually for **30 years**. Although the company is based on tradition, we are not opposed to new trends. We are a **proud family company** with Czech capital, organized in a holding structure, gradually expanding our activities outside the Czech Republic. Our global **RADKA World** already includes **9 separate RADKA companies operating in 16 countries** of the world.

WHO WE ARE

We are a **trading company with high quality chemical-technical products**. We have become an important distribution link member of international activities in Central and Southeastern Europe. An integral part of our work are consultations, technical services and providing expert advices. We have an advanced logistic network of distribution warehouses in several European countries.

SPECIAL Chemicals

We are a bridge between the supplier and customer, where we create innovative solutions for cosmetics, household, detergents and autocare.

We provide a comprehensive product portfolio, formula development, customer service, consulting, logistics and warehousing.

We learn from the needs of our customers and listen to our partners. We share our experience and knowledge with each other.

We build long-term partnerships based on trust and close cooperation.
